## Città antica Sozopol

**Sperimentando le attività nella natura  
scritte dalle diverse insegnanti**

**Workshop per le  
insegnanti**

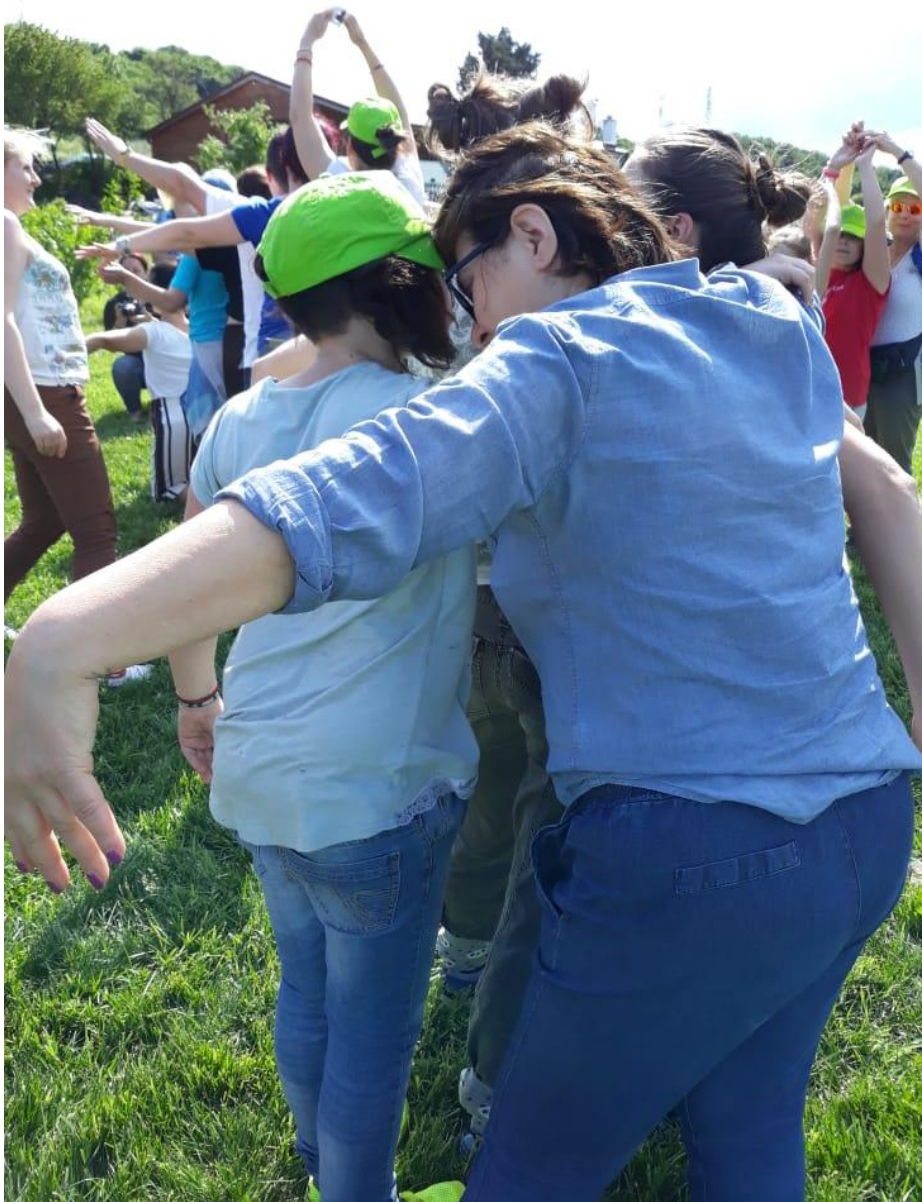

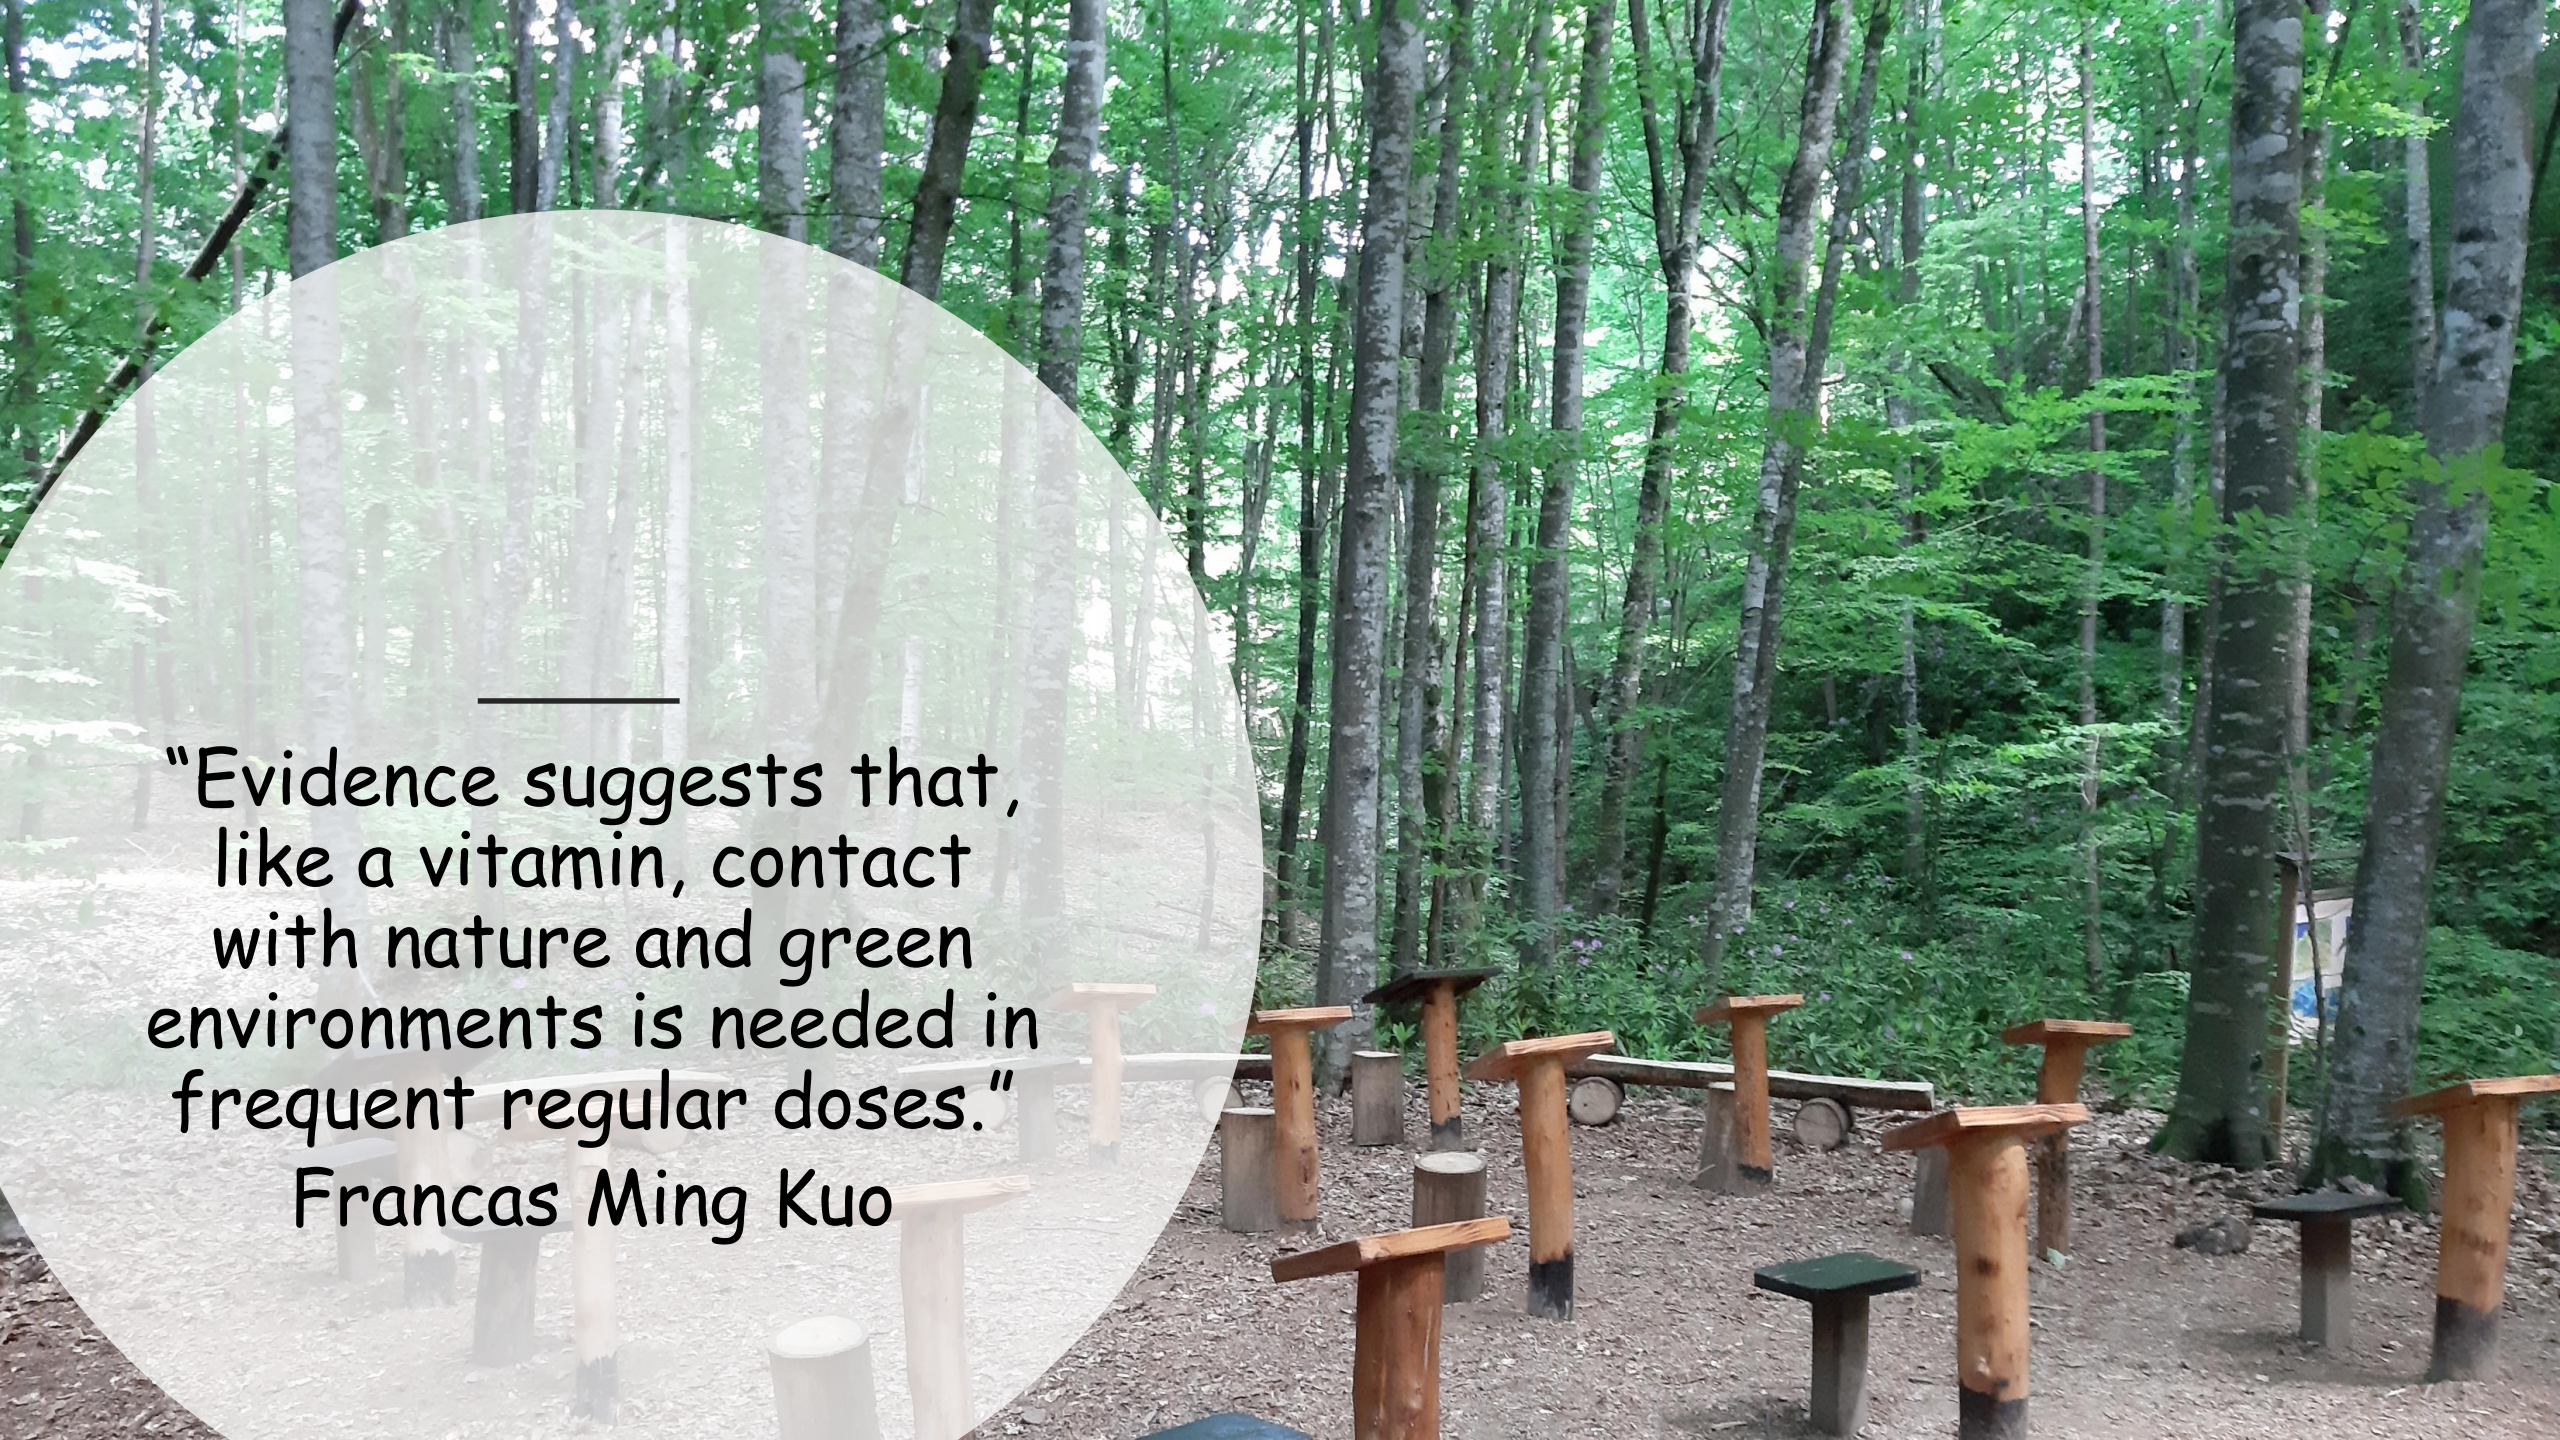

# Isola Santa Anastasia

---

A photograph of a forest with many tall, thin trees and a dense canopy of green leaves. In the foreground, there are several wooden structures that look like benches or tables, made of logs and stumps. A large, semi-transparent circular area is overlaid on the left side of the image, containing text.

—

“Evidence suggests that, like a vitamin, contact with nature and green environments is needed in frequent regular doses.”  
Francas Ming Kuo
