# **Erasmus Dissemination Nature Day**

FIRST PART

Saturday May 15°, 2021

# First classes

Cards with natural materials from our school garden and...

# strawberry plants

## Second classes

Strawberry fields in school garden

# In March sowing

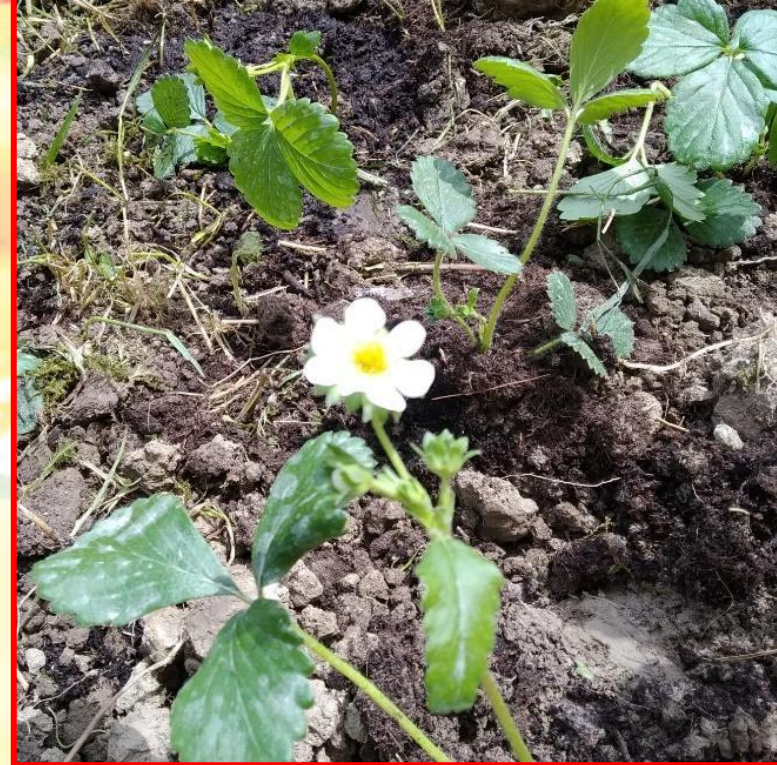

In April watering the small plants

# Taking good care of them

# Observing plants growing little by little

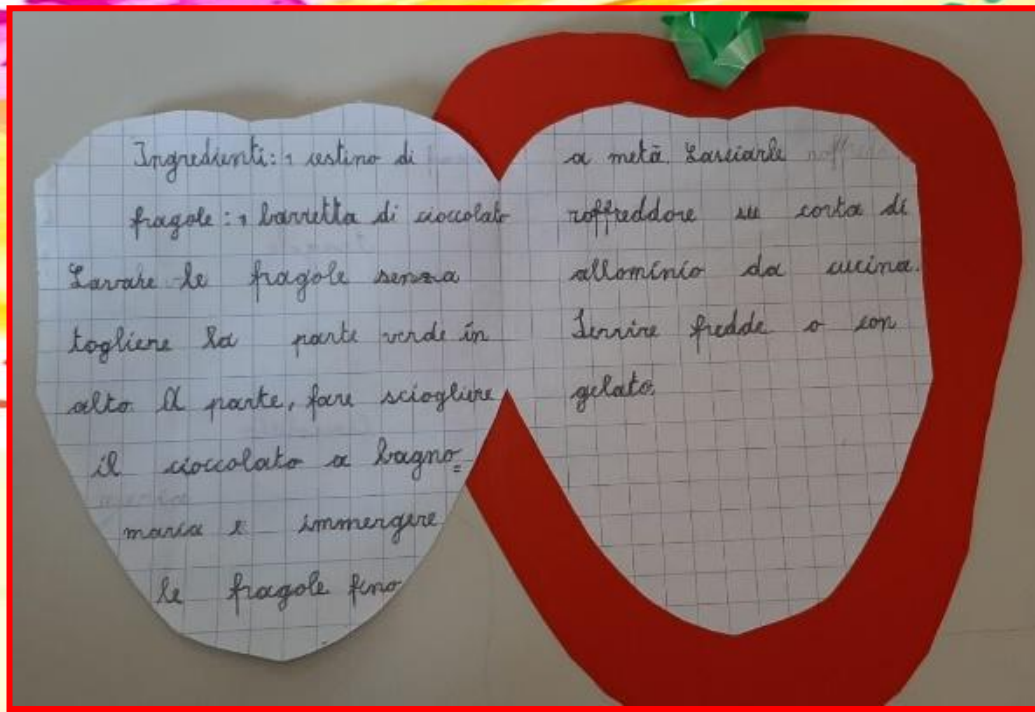

In May, during the Erasmus Dissemination Day, children made a nice fence

They wrote a delicious  
cooking recipe:  
Strawberries and  
chocolate!

They made origami

And they picked wonderful strawberries!
