Group mobility to Maracena

Sagrado Corazón School, Maracena, Granada, Spain

Wellcome to our school

Activity group drawing
different sport
activities

Music lesson

We saw how sign
language can be
used to learn a
language

DIGITAL WHIZ

THANKS TO JOSE' WE
LEARN HOW TO START
OUR OWN GOOGLE
SITE AND THEN
WE BUILT AN ORIGAMY
FLOWER....

Visit Alhambra, «Carmen de los Màrtires» and Sacromonte

We learned about the importance of ecological diversity, and experience 3D travelling in the fantastic 'Eco School' funded by Erasmus funds

In the Science Museum we learned about micro and macro ingredients, did experiments visited the Biodome saw a movie about light in the Planetarium and climbed the tower to enjoy Granada skyline

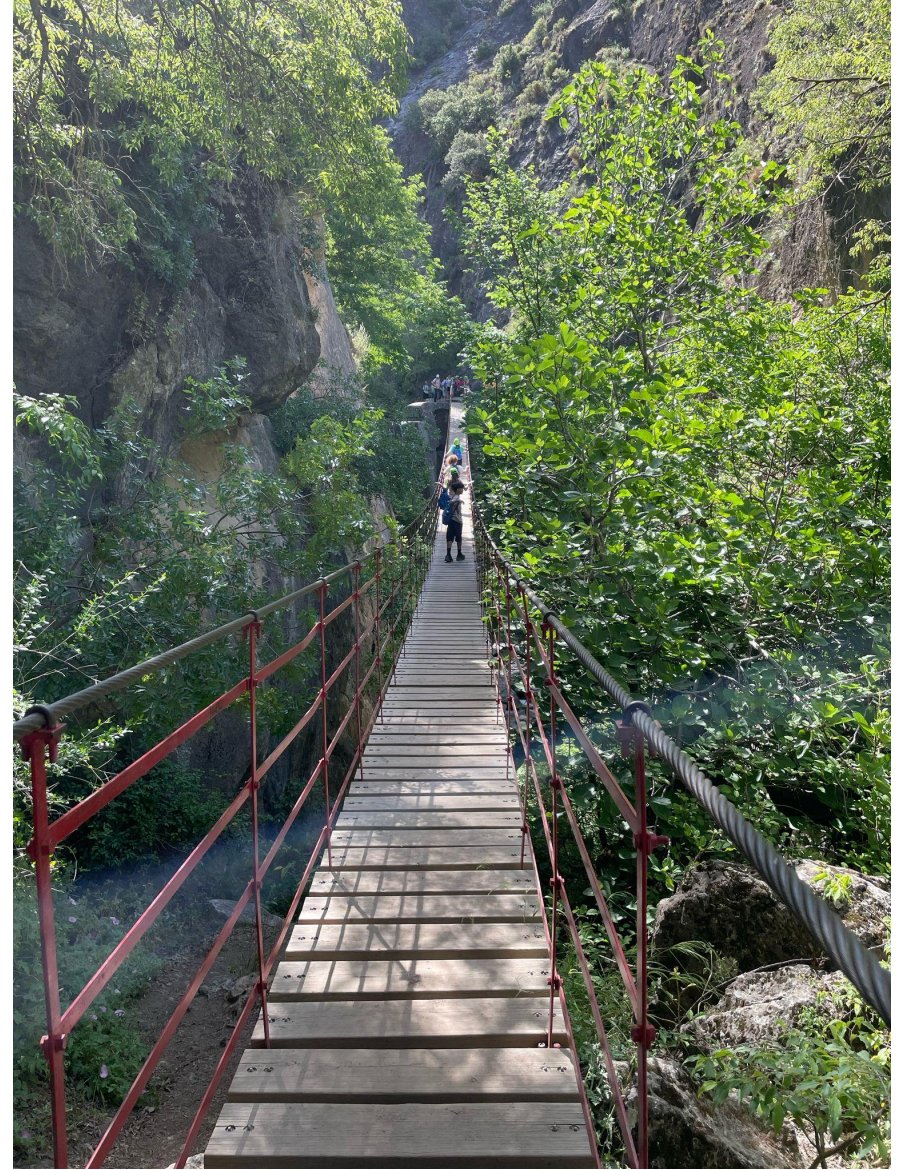

Exploring Granada skyline from the Science Museum tower

Trip to Cahorros

On Friday we hiked along the Cahorros Canyon and walked along several Tibetan bridges.... what an adventure!

Moments with families
